Jiangmen Keming Metal Products Co., Ltd.

COMPANY PROFILE

ABOUT US >>

Founded in 2017, Jiangmen KeMing Metal Products Co., Ltd. is a professional manufacturer specializing in coffee equipment and metal products. We integrate product design, R&D, manufacturing, and quality control under one roof.

Our product range includes espresso accessories, portafilters, tampers, distributors, milk frothing pitchers, knock boxes, manual coffee grinders, pour-over kettles, and other coffee-related products. With a strong focus on innovation and functionality, we have obtained more than 80 patents covering product appearance, structure, and utility models.

KeMing is certified under the ISO9001 Quality Management System and was recognized as a National High-Tech Enterprise and Technology-Based SME in 2023.

We provide OEM, ODM, and private label manufacturing services for coffee brands, distributors, wholesalers, importers, and Amazon sellers worldwide. Our products are exported to Europe, North America, Japan, South Korea, Southeast Asia, and the Middle East.

Today, we proudly serve more than 800 customers globally, helping brands develop competitive and innovative coffee products for their markets.

At KeMing, we are committed to delivering reliable quality, continuous innovation, and long-term partnerships as your one-stop coffee equipment manufacturing partner.

Vision **To bring our coffee products to every coffee enthusiast around the world.**

Mission **To create high-quality coffee equipment through craftsmanship, innovation, and continuous improvement, becoming a trusted leader in the coffee industry.**

Core Values **Collaboration, Harmony, and Shared Growth.**
Enjoy Work, Enjoy Life.

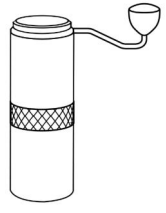

PRODUCT CATALOGUE

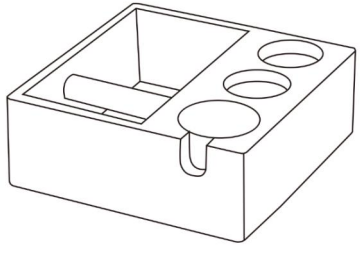

Dedicated to coffee lovers worldwide, we design and manufacture innovative, reliable, and thoughtfully crafted coffee equipment. Our product portfolio is organized into four key categories:

- Pour-Over Coffee Equipment
- Espresso Coffee Accessories
- Coffee Gift Sets & Outdoor Brewing Solutions
- Coffee Machine Accessories & Upgrade Components

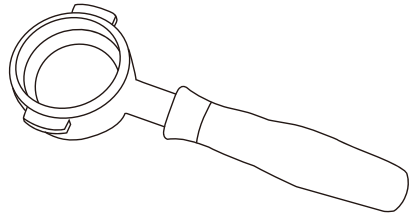

From home brewers to professional baristas and coffee brands, we provide comprehensive coffee equipment solutions that combine functionality, quality, and modern design.

FACTORY OVERVIEW

Innovation is one of KeMing Metal’s core competitive strengths. The company holds over 80 patents, including design patents and utility model patents, and continues to increase its investment in research and development. With a professional R&D team, we focus on craftsmanship innovation and product design optimization in metal coffee products.
Driven by innovation, we are committed to providing more competitive and high-quality coffee equipment solutions for global customers.
In addition, we offer OEM/ODM customization services, including structural design, product development, and branding solutions, helping our partners build differentiated and competitive products in their markets.
